Parish Rates: Families may request in-parish tuition rates if they can answer yes to the following questions:

- 1) The family has completed the registration form for St. Michael the Archangel Parish.
- 2) The family uses parish envelopes for the collections collected at Weekend Masses during the entire calendar year. Since the in-parish rate is significantly lower than our-of-parish rates, it is expected that the weekly donation over the year would amount to more than \$1.00 a week. It should also be understood that participation in the spiritual life of St. Michael the Archangel is expected of all parish families.
